WORK LOAD RETURN OF CONTRACTORS OF CLASS 'S' 'A' TO 'D' AND UNENLISTED CONTRACTORS HAVING WORK LOAD MORE THAN Rs. 50 LAKH BUT LESS THAN RS. 15 CRORES FOR THE QUARTER ENDING MAR 2025

1. Works Load Return in respect of the Command Showing the names of the contractors of Class 'S', 'A' to 'D' and Un-enlisted firms showing value of works in hand, approx., value of work completed and remarks regarding their capacity of handling more load or otherwise is forwarded herewith as under:-

(a) Part-I contains list of contractors having work load.

(b) Part-IIA contains list of contractors having no work load but banned for issue of tenders due to reasons mentioned against them.

(c) Part-IIB contains names of contractors having no work load but banned for issue of tenders due to declaration as un-enlisted.

2. Ban may be on certain contractors on account of late/non-submission of demand drafts for cost of tender and non-depositing of amount equal to EMD on revocation of tender. The intimation of ban so imposed is invariably being given by the Accepting Officers to all formation. Therefore, while issuing tender, this aspect shall be considered at the level of tender issuing authority.

3. Certain contractors are not considered capable of handling more work load as per remarks in Part-II of the subject return. If there is any court case for issue of tender to such contractors, action should be taken as per court directions to avoid contempt of court order & this HQ be informed accordingly.

4. Certain contractors have been declared un-enlisted due to change in constitution. The ban on such contractors shall be deemed to have been lifted automatically once the firms are re-enlisted and letter for this effect subsequent to this WLR is produced by the contractor. No separate amendment will be issued to the WLR on this account in between the quarter.

5. The WLR duly signed is being uploaded on web site www.mes-gov.in which can be referred to and downloaded from this site. No hard copy is being sent. The formation/contractors seeking any change may approach this HQ with details in support of their contention at the earliest possible.

6. Remarks under column 06 & 07 of Part-I , Column 05 of Part-IIA Column 04 of Part-IIB have been approved by Command Chief Engineer.
